* Group/Employer/TPA Name and Number must be provided when submitting Integrated Genetics Test Requisition.

** A preferred provider.

Integrated Genetics is a preferred national, in-network provider for all markets for Aetna patients.

Integrated Genetics is a UnitedHealthcare Preferred Laboratory Network (PLN) provider.

This list contains Integrated Genetics' most commonly billed insurance carriers, which is subject to change and is not all-inclusive.

Certain exceptions may apply by geographic or specific member coverage or plan. If you have any questions regarding a specific insurance carrier, please contact your local Integrated Genetics representative or call 1-800-848-4436. For Integrated Genetics services go to www.IntegratedGenetics.com.

Esoterix Genetic Laboratories, LLC will file claims for insured patients directly to Medicare, Medicaid, and many insurance companies and managed care plans. It is always important to verify and update insurance information and know which testing laboratories are in-network or participating providers for your benefit plan. This information may impact your level of coverage.
