RE: Licensure Status – Facility # 5759

Dear Laboratory Director:

I am writing regarding the licensure status of Esoterix Genetic Laboratories LLC, 3400 Computer Drive, Westborough, MA, Facility # 5759. Please note that although the expiration date has passed the following is in effect.

In accordance with section 13 of Chapter 30A of the Massachusetts General Laws (MGL), “..if a licensee has, in accordance with any law and with agency regulation, made timely and sufficient application for renewal, his license shall not expire until his application has finally been determined by the agency.”

A review of files indicates that the application for renewal of the license was timely received. Therefore, under the MGL, license remains in effect until such time as Department takes action on the license application.

Please let me know if I can be of further assistance.

Respectfully yours,
